U.S. Small Business Administration data also shows M&T approved more 7 (a) loans for small businesses than any other lender in Baltimore, Buffalo/Rochester, Delaware, Philadelphia, Syracuse and Washington D.C.

BUFFALO, N.Y., Oct. 14, 2020 /PRNewswire/ -- M&T Bank announced today it ranked fifth in the nation for the Small Business Administration's (SBA) fiscal year 2020, reflecting its commitment to helping small businesses and communities thrive by providing small business owners with valuable expertise and flexible financing solutions.

M&T extended 1,110 loans for a total of \$157 million over the course of the year. This is funding outside of M&T's efforts through the Paycheck Protection Program (PPP), where M&T helped more than 35,000 small businesses acquire more than \$7 billion in critical funding. M&T has been one of the top 10 most active SBA 7(a) lenders in the U.S. for the past 12 years.

"Our support of small business owners is unwavering, especially during these challenging times," said Eric Feldstein, head of business banking at M&T Bank. "Small businesses are a vital part of our communities and local economies, and it is times like these when our customers and communities need us most. I could not be prouder of the commitment and compassion that my colleagues have demonstrated throughout the year, and am certain that their efforts made a difference in people's lives."
